Sample:

Clear windows

Cutout

EC20A Overlay

Notes:

1. Please delete the outlines you don't want in the drawing, otherwise they would be printed.
2. No need to specified color number. There might be color difference between the drawing and the end product.
3. Transparent area and cutout need to be specified, non-specified white area will be print white.
4. Please convert all the texts to curves to keep the font type as your design.
5. Your vector artwork file(EPS/PDF) for printing is required.
6. These works will take extra days/weeks depending on your order Qty and design.
