Sample:

EC25C Front panel

Notes:
1. Please keep the content for printing within the red frame. The area outside of the frame would be covered or not printable.
2. Your vector artwork file(EPS/PDF) for Printing is required.
3. Please convert all the texts to curves to keep the font type as your design.
4. No need to specified color number. There might be color difference between the drawing and the end product.
5. These works will take extra days/weeks depending on your order Qty and design.
