USB 3.0 Type A to Right-Angle Micro B Cable

CABU32

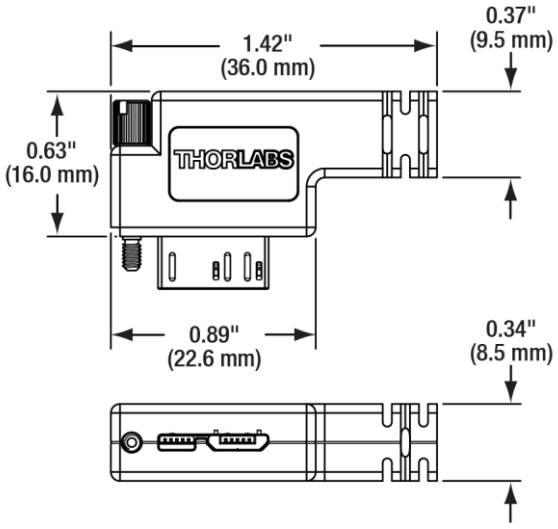

Description

The CABU32 USB 3.0 Type A to Micro B cable features a right-angle Micro B end, with one thumbscrew on the Micro B connector to provide a secure connection to Thorlabs' USB 3.0 compatible products. The cable measures 3 m (118") in length and supports USB3.2 Gen1 5 Gbps data rates.

The CABU32 is compatible with all Thorlabs USB 3.0 cameras. One CABU32 cable is included with certain camera models.
