High Speed USB 2.0 Type A to Type B Cable, 79” (2 m) Long

USB-A-79

Description

Thorlabs offers these industry standard, USB 2.0 cables to directly interface most standard USB connections to a PC. The cable includes a Type A plug, for PC interface, on one side and a Type B plug, for standard peripheral connection, on the other. These durable cables are molded in a transparent green jacket and are fully compliant with the USB 2.0 protocol.
